Welcome back to school – Autumn 2nd Half Term

For our topic work we are looking forward to learning all about transport. The Infants will be looking at the History of Transport and the Juniors will be focusing on the railways and the life of Isambard Kingdom Brunel. In science we will be finding out about electricity and be having fun making electric circuits.

It is great to see that everyone has accessed Tapestry. Over the coming weeks we will slowly add other items, this will give us all a chance to get familiar with how it works. You should be notified by e-mail when anything new has been added. As always if you are having any difficulty please do get in touch.

Tubes request

With (shhhh don't mention it...) looming on the horizon we have a request. If you have any "tubes", pringle tubes, kitchen roll tubes etc... please could you save them up and send them into school. We will be using them for a craft activity in December.

Collection for Carlisle foodbank

This year we will be operating a "reverse" Advent calendar. Instead of receiving something everyday through Advent you give something. It would be great to be able to give a super donation to the foodbank. For item suggestions please see the attached sheet.

School play – details to follow

Dates for your diaries

Due to the current situation the Christmas play, lunch and party has to be limited to the school children and staff only.

Wednesday 16th December – Children's Christmas dinner.

Thursday 17th December – Children's Christmas party – 3:15 pick up time and taxi's as usual
Children can bring party clothes to change into.

Friday 18th December – Christmas jumper day - £1 donation in aid of the Eden Valley Hospice.
Last day of term, **1.30pm** finish.

Regards
Jane
