<b>Letter Joining</b>							
			To begin to use the diagonal and horizontal strokes needed to join letters.	To continue to use the diagonal and horizontal strokes that are needed to join letters and to understand which letters, when adjacent to one another, are best left unjoined.	To confidently use diagonal and horizontal joining strokes throughout their independent writing to increase fluency.	To confidently use diagonal and horizontal joining strokes throughout their independent writing in a legible, fluent and speedy way.	To recognise when to use an unjoined style (e.g. for labelling a diagram or data, writing an email address or for algebra) and capital letters (e.g. for filling in a form).
<b>Letter Formation, Placement and Positioning</b>							
Use large-muscle movements to wave flags and streamers, paint and make marks. Use one-handed tools and equipment, for example, making snips in paper with scissors.	Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons. Use their core muscle strength to achieve a good posture when	To write lower case and capital letters in the correct direction, starting and finishing in the right place with a good level of consistency. To sit correctly at a table, holding a pencil comfortably and correctly.	To write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters. To form lower case letters of the correct size, relative to one another.	To use a neat, joined handwriting style with increasing accuracy and speed.	To increase the legibility, consistency and quality of their handwriting [e.g. by ensuring that the downstrokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch].	To increase the speed of their handwriting so that problems with forming letters do not get in the way of writing down what they want to say. To be clear about what standard of handwriting is appropriate for a particular task, e.g. quick	To write legibly, fluently and with increasing speed by: -choosing which shape of a letter to use when given choices and deciding whether or not to join specific letters;
