Thursday 10<sup>th</sup> January 2019

Dear parents,

It has been lovely to welcome everyone back to school and to hear about all your exciting adventures over the Christmas holiday. We have been very pleased to see the children keen to learn and happy at playtimes and it has been great to welcome George into our nursery.

### **Snow procedures**

We will make every effort to stay open if at all possible. Any decisions to close are made to keep children, staff and parents safe. In case the weather turns wintry, a reminder of what happens when it snows:

- Ms Harland will consult with staff and make a decision by 7am;
- The school website will be updated immediately to let you know if school is closed;
- Assume school is open unless it is stated otherwise;
- The Cumbria County Council website will give up to date information;
- School closures are broadcast on Radio Cumbria.

If we have to close during the school day, parents will be informed by telephone as soon as possible. Staff will remain at school until all children have been safely collected. Please let us know below who you authorise to pick your child up in an emergency or if we cannot contact you.

### **Car park**

Thank you to Ken James for levelling out the car park entrance and exit. This is much appreciated. Ms Harland will grit and clear the path to school when needed.

### **Poppy appeal**

Thanks to all who contributed to the poppy appeal. We made £32.05 for the British Legion.

### **School newsletters**

If you would like to receive your newsletters by email, please let us know.

Best wishes,

Ms Harland.
