

Calling all reindeer!

Santa knows who's been bad or good, so lace-up your trainers, pull the tinsel out of the attic, and get involved in our Reindeer Run to make sure you're on the nice list!

Bewcastle Primary School are thrilled to be able to take part in Jigsaw, Cumbria's Children's Hospices Reindeer Run, and this is our chance to get into the Christmas spirit and have lots of fun whilst raising money for our local children's hospice.

Each pupil will get their very own set of antlers so they look the part as well as a sponsorship form from the lovely Christmas elves at Jigsaw.

This is a fantastic opportunity to have a lot of fun whilst supporting a vital local organisation, so we ask each child raises what they can to take part. Everyone who joins us will receive a certificate congratulating them for being part of this fantastic fundraising event, but, if we as a school are super fundraisers and raise an average of £10 per pupil, all runners at school will receive a much coveted reindeer run medal!

We will be holding our Run on Wednesday 6th December 2023 (weather permitting).

To hand in your sponsor money, simply bring your collected money back to the school along with your completed sponsor form (don't forget to tick the Gift Aid if eligible!).

As well as traditional sponsor forms, the Jigsaw elves have also set us up with our very own online fundraising page which can be found on the Jigsaw website. Just visit [Reindeer Run 2023 - Eden Valley Hospice and Jigsaw Cumbria's Children's Hospice \(powered by ema\) \(emagiving.com\)](https://www.emagiving.com) or head to the Reindeer Run Donations page on the Jigsaw Website and click on our school logo. Remember to include in your message the name of your reindeer so that the school can see who has donated online! If you use the online form, please still return your sponsor form to school indicating on the form how you have returned your collection- online or cash so the elves can match them up for Gift Aid purposes!

Jigsaw, the only Children's Hospice in Cumbria, provide respite, palliative and end-of-life care to children and young adults throughout Cumbria and beyond. Its home from home environment creates a safe and loving space, in which children can be children, and families can create lasting memories together.

We know it's been a tough couple of years for everyone in many different ways, but we ask that those that can give to support families throughout Cumbria who need Jigsaw's support do what they can.

We are so excited to be able to take part, and hope that all the children are too!

Thank you all so much for supporting the school, and for supporting Jigsaw!
